

Cen-Pe-Co Extreme Duty Chain & Cable Lubricant

Cen-Pe-Co Extreme Duty Chain & Cable Lubricant is a foaming and penetrating lubricant to protect chains and cables from wear and corrosion.

OUTSTANDING TEXTURES AND BENEFITS:

- Foams by over 8 times for better penetration
- Moly reduces friction and wear
- Thin oil does not attract dirt
- EP (Extreme Pressure) additives protect heavily loaded chains and cables
- Inhibits rust
- Easy and safe aerosol application
- Nozzle straw included for additional safety

APPLICATIONS:

- Drive chains on everything from bicycles to heavy equipment
- Cables and wire rope
- Penetrating oil where the dark color is not an issue

LIMITATIONS:

- Not recommended for O-ring chains
- Do not apply near fire or flame

DIRECTIONS:

- Shake well to disperse the moly
- Spray 8 to 10 inches from the surface and allow to penetrate

CONTAINERS:

- 16 ounce aerosol cans (12 per case)
