

CEN-PE-CO SYNTHO LUBE

Cen-Pe-Co Syntho Lube is an extremely adhesive multi-purpose grease for heavy-duty applications. This grease is fortified with a unique combination of synthetic polymers for superior performance under wet conditions and staying power in tough applications that sling out or pound out ordinary greases. The combination of heat resistant 100% Pure Paraffin base oil and stay-put thickener make Cen-Pe-Co Syntho Lube a longer lasting grease that is an excellent choice when extended service intervals challenge a grease's endurance.

OUTSTANDING FEATURES AND BENEFITS:

- Superior Staying Power
- Extremely Adhesive
- Protects Parts from Severe Shock Loads (65 lb. Timken)
- Outstanding Water Resistance
- Heat Resistant (375° F. Dropping Point)

PRIMARY USES:

- Extreme Pressure Applications in Construction Equipment
- U-Joints in Heavy Trucks that Sling Out Ordinary Grease
- Wheel Bearings (except those with a disc brake)
- A wide variety of heavy-duty farm, construction, truck, automotive, and industrial applications

CONTAINERS:

400 pound drum	50 pound pail
120 pound keg	14½ ounce cartridge (30 per case)

TYPICAL CHARACTERISTICS:

Penetration (Worked 60 Strokes)	ASTM D217	265-295
NLGI#		2
Thickener Type	ASTM D128	Lithium 12 Hydroxy
Dropping Point	ASTM D2265	375° F.
Timken OK Load	ASTM D2509	65 lb.
Water Spray Off	ASTM D4049	12%
Water Wash Out	ASTM D1269	4%
Color		Red
Texture		Smooth, Tacky
