

CEN-PE-CO ANTIQUE ENGINE OIL

Cen-Pe-Co Antique Engine Oil is designed to provide superior performance and protection in antique vehicles calling for non-detergent oil (primarily prior to 1950). We start with 100% pure paraffin base oil, and add rust inhibitors proven effective in the Mil-L-21260 military storage specification. The result is the best non-detergent oil available, that also provides rust protection during storage.

OUTSTANDING FEATURES AND BENEFITS:

100% Pure Paraffin Base	Higher heat resistance
Naturally superior oxidation stability	Greater film strength
Protection from corrosion during storage	Naturally high viscosity index
