

CEN-PE-CO GARD-N-GO OIL

Cen-Pe-Co Gard-N-Go Oil is designed for specifically for alcohol and gasoline powered garden pulling tractor engines, and similar competition engines. It is with 100% Pure Paraffin Base Oil, a unique detergent inhibitor package, and nearly triple the level of anti-wear additives found in passenger car oils.

A drop of free alcohol in the oil can score a bearing. Cen-Pe-Co Gard-N-Go Oil uses a unique dispersant additive to bust the drop of alcohol into a million pieces so it can pass through the bearings without damage.

Competitors using Cen-Pe-Co Gard-N-Go Oil notice longer bearing life, longer cam and lifter life, and at teardown, a thicker film of oil coating all their parts.

OUTSTANDING FEATURES AND BENEFITS:

100% Pure paraffin base oil

Excels in cushioning heavily loaded bearings

Seals to maintain peak cylinder compression

Provides superior heat transfer

Proprietary blend of additional anti-wear additives saves cams and lifters

CONTAINERS:

55 Gallon Drum

2 Gallon Jug (4 per case)

35 Gallon Drum

1 Gallon Bottle (6 per case)

20 Gallon Drum

1 Quart Bottle (12 per case)

5 Gallon Pail
